

CREST

STAIRLIFT

THE CREST 120

The **Crest 120 straight stair lift** simple in its operation yet detailed in design

CREST 120

The Crest 120's compact design has a host of hidden features allowing you to reclaim your independence at home.

Straight staircases shouldn't stop you enjoying your home.

The Crest 120 is a simple to use stair lift that can transform your day-to-day life.

ROOM FOR OTHER USERS

The Crest 120 leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

ONE OF THE WORLD'S SLIMMEST STAIRLIFTS

The Crest uses one of the slimmest rails in the world, making the Crest 120 look less obtrusive with minimum impact to your home.

COMPLETE COMFORT & CONTROL

The Crest 120 straight stair lift includes many features as standard, enhancing the practicality and usability for the user and household to live with.

REMOTE CONTROL

Ergonomically designed and easy to use, remote controls are supplied with the Crest 120 as standard, giving the user total control of the stair lift.

COMPLETE CONTROL

Controlling the Crest 120 stair lift is comfortable for all users even for those with reduced dexterity.

The ergonomically designed toggle switch is available for left and right-handed people.

SAFE & SECURE

The simple and fully adjustable seat belt option means that you will be safely held on the seat when the stairlift is in operation, giving you added peace of mind and security.

EASY ON EASY OFF

With a gentle turn of the handle, the seat turns allowing you to get on and off the Crest 120 with ease and confidence.

CLEAN, CLEAR & PRECISE

Compared to other stair lift manufacturers, Crest includes so many simple and innovative solutions as standard, giving extra value for the customer.

PADDED SEAT

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOVABLE COVERS

The vinyl padded seat is durable ensuring minimal scuffs and marks occur.

Easy to wipe down or easily zipped-off for a deeper clean.

EASY TO UNDERSTAND

With the digital diagnostic display as standard, you can easily understand the Crest 120 stair lift and its status with the clear, backlit text.

This means you don't need to decipher complicated digital codes, bleeps or flashing lights.

SAFETY SENSORS

The Crest 120 includes safety sensors and pressure plates on the footrest and carriage that will stop the stair lift if there's an obstacle on the staircase.

CREST 120

STRAIGHT STAIRLIFT

ONE OF THE SLIMMEST RAILS IN THE WORLD

The straight rail is made of aluminium giving the stairlift the best ride possible and without obtruding the staircase.

The legs fit to the stair treads and not the wall preventing any unsightly cracks or damage.

1 ERGONOMIC CONTROLS

Simple, smooth operation glides you up and down the stairs smoothly.

2 SWIVEL SEAT

A gentle turn of the seat handle allows the user to swivel the seat to get off onto the landing when it's safe.

3 POWER SWITCH

An easy flick of the switch allows the stairlift to be powered on or off.

4 CLEVER DISPLAY

Simple, clean and clear digital display for easily understanding the status of the stairlift.

J Overall depth (when folded)	295	12

CREST STANDARDS

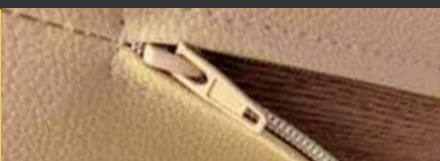

The CREST 120 stair lifts include the following as standard.

HEALTH & HYGIENE

Crest stair lifts are easy to clean, not only assisting in the health of the stair lift but also the health of the user.

Crest are one of the very few stair lift manufacturers to include removable covers on their stair lifts.

QUALITY MATERIALS & COMPONENTS

With a robust case, performance seat and solid mechanics, our stairlifts will look their best and operate for many years to come.

RETRACTABLE SEAT BELT

Just like a car seat belt, easy to adjust and use, giving the user the best comfort and safety possible whilst operating the stairlift.

COMFORT & CONTROL

The soft start/stop of a Crest Stair Lifts journey on a staircase is enhanced by the complete comfort of the padded seat and backrest and simple, ergonomic controls.

2 YEAR PARTS WARRANTY

Included as standard

Ask your dealer for further information.

LOCKING KEYS

Two keys are included for locking the stairlift in an off position for added safety, preventing unwanted operation by children, young and old.

REMOTE CONTROLLED

Two remote controls are supplied giving simple and convenient operation allowing the stair lift to be called or sent up the staircase when it's not being used.

CREST OPTIONS

The following options are available to make your life even easier with your stair lift in your home.

POWERED SWIVEL

Making life easier for the user to turn the seat easily with the touch of a button. Ideal for users with dexterity issues.

HINGED RAIL

In some instances, the rail may run across a doorway at the bottom of a staircase. A hinged rail folds up out of the way.
